

Leigh St Peter's CE Primary School Curriculum 2021-22

The key principles of learning in our school support our school vision in ensuring confident individuals, responsible citizens and successful learners who have positive memories of their time at our school.

Our Christian Values	Love Love is thinking about others before yourself.	Trust Trust is the very essence of faith; trust in the God who is trustworthy.	Respect Respect is valuing everyone and everything and celebrating our differences.	Responsibility Responsibility is managing our feelings, using our gifts and being responsible.	Friendship Friendship is managing our feelings, thinking about what we say, including others and being responsible.	Resilience Resilience is keeping going even when we encounter challenges. It can be grown and developed like a muscle.	Perseverance Perseverance is telling the telling truth, finishing the job and sticking with it when things get tough!
-----------------------------	---	--	---	--	---	--	---

Curriculum Aims	To providing quality and excellence through an exciting and stimulating environment that stretches and develops the child as a whole.	To provide a broad and balanced provision for our children which is steeped in evidence that supports current research in teaching and learning.	To have an understanding of their personal, local, national and global responsibility.	To prepare them for life with skills/ knowledge that equips them to be successful in their life.
------------------------	---	--	--	--

Evidence informed practice	Retrieval & Interleaving	Vocabulary Development	Well sequenced & development of concepts	Metacognition	Magic Minds
----------------------------	--------------------------	------------------------	--	---------------	-------------
