## Swimming Data

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. <b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b>	2021-2022 Year 6 swimmers
What percentage of your current Year 6 cohort (21-22) swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	11% (6 pupils) 64% swim unaided 5 metres+ 36% swim 10 metres
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	22-23: 2.5% 23-24: 5%
<b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b>	0%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes additional swimming – increased time in the pool over the year. As well as, an extra year group this year because of COVID. We have had a drop in the number of children that can swim out of school.

**NOTE:** There are many high-risk water areas around Leigh St Peter's so it is vital that children living in this area learn to swim, most children do not learn how to swim privately. At Leigh St Peter's we are committed to help our children keep safe in their environment. Therefore, we provide additional swimming lessons. Out of COVID the children had 3 extended courses of swimming lessons for 10 weeks in Year 4,5 and 6. It was shown that swimming in Year 4 influenced children to go swimming with their families. Having the further two sessions of 10 weeks in Year 5 and Year 6 allowed for children to develop their swimming skills and children were more likely to be able to swim unaided. Last academic year, Year 4 went swimming for 19 weeks and this gave Y5 and 6 extra swimming time. Moving forward Year 3 will have the additional time to kick start their love of swimming, confidence and skills.
