## Headteacher Update

Good afternoon,

This week has been an eventful week in school with lots happening in classrooms which show how dedicated your children are to learning.

Also, I have introduced a **Parent, Carer & Visitor Code of Conduct** in school. Please ensure that you have read the policy and made anyone who picks your children up from school aware of this policy.

I must make very clear that there has been some behaviour in school recently where some children have been hurt. Any incidents that occur in school are dealt with in an age-appropriate way. It is our policy that we do not share information about consequences for children with anyone who does not have parental responsibility for that child. This policy is in every school and forms part of the safeguarding procedures in school. However, I must urge you that if you are unhappy about the way a situation has been dealt with, not about the children or the individual involved, then please escalate this in the appropriate way as stated in the safeguarding section of this newsletter.

**Please do not approach parents on the playground**, as this can sometimes make the situation worse and can in some instances lead to legal consequences.

I appreciate your co-operation in this matter,

Mr Robinson

**Acting Headteacher**

## Safeguarding

It has come to my attention this week that some parents feel unhappy or that their children do not feel safe in school. As a community, we do not want anyone to feel this way, but I ask that your concerns are raised in a professional and appropriate manner and not on Social Media sites such as Facebook or Twitter.

### Steps for raising concerns:

1. Contact the Class Teacher
2. If you still feel this has not been dealt with, contact the phase leader:  
**YN – Y2:** Mrs Metcalfe  
**Y3 – Y6:** Mrs Roberts (in Year 3)
3. If you are still unhappy then please contact school and make an appointment to see a Senior Leader.

## ClassDojo Update – IMPORTANT INFORMATION

In line with the new Parent, Carer and Visitor Code of Conduct we are moving away from the personal messaging facility on ClassDojo. From Friday 7<sup>th</sup> July we will no longer be using the facility for parents to send personal messages to school. If you need to get a message into school, this will be done through the Main School Office. Teachers will NO LONGER respond to direct messages. Appointments can be made by phoning school or by speaking to teachers at the beginning and end of the school day.
