Attendance Newsletter

ABSENCE

- Please remember you should only keep your child at home if they have an illness or virus that requires them to isolate. Medical appointments where possible need to be attended outside of school hours.
- During September there were 702 sessions of absence from 199 children.

Category	Number of pupils	Sessions missed
Illness	110	391
Unauthorised	52	216
Medical	25	30
Holiday	12	65

- Failing to provide a reason for your child's absence and medical appointments without evidence will result in an unauthorised absence being recorded.

MORNING ARRIVAL

- The school gates are open from 8.40am and close at 8.53am ready for registration at 8.55am.
- If your child is persistently late then you may be subject to an Education Penalty Notice.

PUNCTUALITY

We are still seeing some children arriving to school after the gates have closed. Arriving to the classroom later than their peers can be upsetting for your child and disrupts the learning of the other children in the classroom.

During September a total of 2386 minutes of learning time was lost due to children arriving late to school.
