

LSPPS Enrichment 2024-2025

The LSPPS Enrichment Promise

“Before I leave LSPPS, the little moments that will make big memories are ...”

meeting someone who
inspires me.

having my learning
outdoors or a residential
trip.

travelling on a train,
bus or boat.

practicing skills I need for life
like cooking, first aid, saving
money and tying shoe laces.

learning to play a
musical instrument.

organising and raising
money for charity.

learning how to swim
and be safe in water.

watching a live
performance or sporting
event.

visiting the beach and
paddle in the sea.

having a picnic in
the park.

exploring at a museum, art
gallery, place of worship
and historical site.

learning how to respect
our world around us.

Each year the children will also take part in other planned experiences shown below ...

Spiritual – reflect on our own beliefs, respect the beliefs of others, learn about ourselves and the world around us.

Moral – recognise the difference between right and wrong, investigate moral and ethical issues.

Social – socialise with other pupils, participate in community settings, engage in the British Values.

Cultural – appreciate our heritage and the range of different cultures, participate in art, music and sporting events, knowledge of the British Parliament.
